

Size & Fit Guide

All measurements are body measurements in inches, not garment measurements. Every Fore Divas piece is cut on the same block, so once you know your size it carries across the collection.

Headwear, gloves and socks

- Viscors and caps — one size with adjustable back closure, fitting 21"-23.5" head circumference.
- Gloves — should feel like a second skin when new; cabretta leather relaxes with wear. Order for your lead (non-dominant) hand.
- Socks — S/M fits US 5-8.5, L/XL fits US 9-11.

How to measure

1. Bust — around the fullest part, tape level and snug, arms down.
2. Waist — the narrowest part of your torso, usually just above the navel.
3. Hip — around the fullest part, roughly 8" below the waist.
4. Inseam reference — our skorts measure 16" at the front.
